Mayor Boutwell shared that the ac was dripping and not working. We had Preston Tate come out since he was the original installer.

Council Member Sandra McMurray Jackson asked if Preston Tate will be our ac maintenance man. Mayor Boutwell called Mr. Tate because he originally repaired the ac.

Council Member Dynette Lewis asked what the difference was in the original proposal by Peacock and this bill. Mayor Boutwell explained that the first was his bid for labor, then a new proposal for materials. He replaced door handles and that was the extra charge from Peacock. Council Member Dynette Lewis stated she would like to see us go to coded locks.

Helicopter Technology utility bill is for water and FPL.

Council President Luis Gomez requested an update on Thumbtack. Mayor Boutwell shared that they have received their US paperwork.

TAW is causing the generator list to go over budget. Leslie Howington stated that the budget reflects just the contract. The work to be done is billed separately.

Respectfully submitted,

Leslie Howington, CMC
Town Clerk
