Our resources

below intend to educate individuals on alcohol awareness month, and equip them with the knowledge on how to get help if they are struggling:

- [*Depression & Substance Abuse*](#)- Article explaining the different types of depression and how substance abuse can affect those already struggling with depression.
- [*Co-Occurring Disorder and Dual Diagnosis Treatment Centers*](#) - A medically reviewed article explaining what a co-occurring disorder is and how they can be treated.
- [*Screening and Assessment of Co-Occurring Disorders*](#) - Our guide to explain how and what assessment tests are available for those to see if they are struggling with a co-occurring disorder
